

UJI COBA PENERBITAN ARTIKEL PADA JURNAL

Overview

OJS is an open source solution to managing and publishing scholarly journals online. OJS is a highly flexible editor-operated journal management and publishing system that can be downloaded for free and installed on a local Web server. It has been designed to reduce the time and energy devoted to the clerical and managerial tasks associated with editing a journal, while improving the record-keeping and efficiency of editorial processes. It seeks to improve the scholarly and public quality of journal publishing through a number of innovations, from making journal policies more transparent to improving indexing.
