INDONESIAN JOURNAL OF  
**GEOGRAPHY**

Volume 51, No. 1, April 2019

Indonesian Journal of Geography (Indo.J.Geog.) Is an international journal published twice a year in June and December by The Faculty of Geography Gadjah Mada University in cooperation with The Indonesian Geographers Association. Correspondence concerning the journal should be addressed to the Chief Editor.

The Indonesia Journal of Geography welcomes authoritative, original, ably illustrated, and well-written manuscripts on any topic of geographical importance related to Indonesian cases as well as others areas in the planet. The Journal publishes Articles, Technical Notes, Rapid Communications, Opinion Papers, Comments/Responses and Corrections
