JURNAL ILMU KEHUTANAN is a biannual (March and September) journal published by the Faculty of Forestry, Universitas Gadjah Mada, Yogyakarta, Indonesia, in cooperation with Indonesia Forestry Scholar Association (PERSAKI). The journal becomes a medium for communicating research activities to motivate researchers to publish research articles, short communications, and reviews. Scientific papers published in the journal are the contribution of researchers and practitioners in the fields related to forestry and the environment. The journal also receives proposals for special issues.
